# How Was Your Summer?

👁 12 ✓ 0 ⭐ 1

## Chapter 1 by Lilly

Summer. The time for swimming, party's and weddings. Most people can't wait for summer but I hated it. It would be fine if I could talk to my friends but they all left to go visit family. Now i'm stuck with my family for three months. Things couldn't possibly get worse right.

2 weeks later...

I was at a book store, I love to read, and after I finally found the book I was looking for a boy walked over to me. He looked about seventeen. He had light brown hair and green eyes.

"Hey. Sorry to bother you, but is your name Sarah?"

How did he know my name?

"Um..."

was I really about to tell a complete stranger my name?

"yes."

I slowly nodded and smiled.

I nodded slightly. What did I say my name?

" You might want to sit down."

That's when things got interesting.
